

## D&H Canal Historical Society Sunday Flea Market

### Information for Vendors

#### Location and times of operation

The Market is located in Grady Park on Route 213 East in the heart of High Falls (site of the original D&H Canal Locks 17 and 18). The Market operates from the first Sunday in May through the last Sunday in October from 9:00 a.m. until 4:00 p.m., weather permitting.

#### Spaces available and vendors sought

There are 30 spaces available; each measuring 10' x 10'. Vendors of antiques, collectibles, handcrafted items, and arts and crafts will be given priority. The Market manager has the authority to decline any vendor whose merchandise is deemed inappropriate.

#### Reservations

The Sunday Flea Market is under the management of Joni Barr, who is responsible for taking all reservations and collecting all fees. Reservations may be made on a week-to-week basis by **phoning Joni Barr at 845-810-0471 or emailing her at [Jonicollyn@aol.com](mailto:Jonicollyn@aol.com)**. To cancel a reservation, call Joni by 7:30 p.m. on Saturday evening. Reserved spaces will be held until 8:30 a.m. on Sunday, at which time they will be given to vendors who may be waiting for a space on a first-come, first-served basis.

#### Fees

The daily fee per vendor space is \$25, which may be paid by cash or personal check. Payment is due no later than 10:00 a.m. on the day of the market. Vendors who have set up but have not paid by 10:00 a.m. will be asked to break down and leave. In case of rain after the market opens, the following provisions apply. If the rain starts

- by 10:00 a.m., there will be no charge;
- after 10:00 a.m., but before noon, the fee will be \$12.50;
- after 12:00 noon, the full \$25 fee is due.

#### Set Up

Market hours are 9:00 a.m. to 4:00 p.m. Vendors may set up between 7:00 a.m. and 9:00 a.m. Before starting to set up, vendors should unload their vehicles as rapidly as possible and remove them from the field. Turn off engines while loading and

unloading. Trailers may not be driven onto the grounds.

Vendor vehicles will not be allowed on the field between 9:00 a.m. and 4:30 p.m. (or at other times at the discretion of the market manager). Vendors who arrive late or leave early must unload or load their goods from the roadside

#### Parking

After unloading, please park vehicles up the hill behind the Market on the northbound side of Old Route 213 or in the off-road parking area available above Old Lock 17. Parking is not allowed on the southbound side of Old Route 213 or at the Market entrance. *It is important not to leave vehicles in parking spaces that should be available for customers.*

#### Trash

Each vendor is responsible for taking away his or her own trash. Please do not use local merchants' dumpsters.

#### Vendor Etiquette

Please do not set up or sit in the center aisle. Stay within the space allotted for your booth; there are no side aisles between booths. Please be considerate of your vendor neighbors by not hawking your wares or blocking their booth access. Vendor's pets must be leashed.

The D&H Canal Historical Society is an active member of the community and would appreciate every vendor's continued efforts to make the Market attractive and an asset to the area.

#### Responsibility

The D&H Canal Historical Society is **not** responsible for any illness or injury sustained as a result of any individual, vendor, or customer participation in the Market. The Society also reserves the right to ask any vendor or customer who is disruptive, uncooperative or disorderly to leave the Market.
